**High Temperature:** 86 degrees

**Precipitation:** Absolutely none whatsoever. All visible clouds were contrails from jets at high altitudes.

**Resources donated to Redlands Family Service Association:** \$927; 7 cans of food

**Wrap-up:** A hearty thank you to the 51 good folks who made the 5<sup>th</sup> Annual Redlands Ice Bowl at Ford Park a smashing success and a darn good time. Forget the “Ice” part of it; the high temperature hit 86 degrees and the only clouds were contrails from the jet planes way up high. There were, however, reports of isolated incidents of sunburn and unseasonal sunburn.

As usual there was tight competition amidst the smiles on a layout in which 18-under is rarely good enough to win anymore. This year two people again tied the record of -19 with seventeen birdies and an ace. Prevailing in a CTP shootout before a boisterous gallery, top local Justin Carter bested Hall of Famer Mark Horn and for the first time kept the coveted trophy at home in the Inland Empire. Both played superb golf, displaying precise mid-range skills and nailing hole #4 to play for the top spot.

Also playing “clean” rounds at -18 with birdies on all holes were Tom Clickner, Chris Horn, “Big D” Daniel Lichtman, Mario Martinez, the always generous Carl Renda, AJ Risley and Mark Verrochi. In the “Metal o Nada” round Mark Verrochi stayed hot and set a new record of 4 points (an ace and a hit), just besting Chris Horn’s ace for 3 points, while Eric Audet, Justin Carter, Tom Clickner, Cori Fullmer, AJ Junker, Jason Hine, Big D, AJ Risley and Nathan Welsh all tallied metal hits for a point each as well.

Happily all the good times and free-spending with mulligans resulted in a new record for donations and I will be presenting Redlands Family Service Association with \$927 and 7 cans of food for their important work. Special thanks go to the City of Redlands, the Redlands Morning Kiwanis Club and Innova Champion Disc Golf for their constant support.
